TOWN COUNCIL MEETINGS

Wednesday March 9th and 23rd, 2022
Wednesday April 13th and 27th, 2022

ALL RESIDENTS ARE WELCOME TO ATTEND

SEASONAL SUMMER EMPLOYEES NEEDED

The Town of Millet is looking for Seasonal Summer employees to perform a variety of tasks related to the operation and maintenance of municipal parks and recreation as well as facilities during the summer months.

Applicants must be able to qualify for the Canada Summer Jobs Grant Program. To view the full job description, please visit www.millet.ca. Interested applicants are invited to submit their resume along with references to: Box 270, Millet AB T0C 1Z0 c/o Director of Development and Infrastructure or by emailing their resume and references to: infrastructure@millet.ca. We thank all applicants for their interest, however only those selected for an interview will be contacted.

A MESSAGE FROM PUBLIC WORKS

During the process of snow clearing, this often results in unwanted sand being pushed up on corners of lots and in front of certain properties. The Public Works department apologizes for this inconvenience and would like to inform residents that if you require assistance removing any sand, please contact the Town office so that you can be put on a list to have this cleaned up. Time will be of the essence, so residents are encouraged to make arrangements as soon as possible once their yards are visible, as this will need to be completed prior to the sweeping of the streets (which occurs shortly after the snow melts). Please watch for signs indicating upcoming dates for street sweeping.

REMINDER TO RESIDENTS

Please be advised that the Town of Millet has received several complaints regarding animal waste not being picked up on various properties. As per our Animal Bylaw #2018-06, 'no animal shall be a nuisance. A nuisance shall include, but not limited to; (iv) defecating on property other than that of the Owner;... To

view our Bylaw in its entirety, you can visit www.millet.ca. Please help keep the Town of Millet clean and help reduce sources of disease transmission by picking up after your pet.
