MESSAGE FROM ENFORCEMENT SERVICES

March & April are seatbelt and speed enforcement months. Please remember to buckle up while in your motor vehicle. Also, to remind all passengers to buckle up. Even quick trips around town can be dangerous, so it is important that you and your passengers wear seatbelts whenever you're in a vehicle.

Seatbelts save lives. Make sure they are worn properly. Research your child's booster seat to learn proper usage. It is important to learn how to secure it and how to recognize if your child has outgrown theirs.

Pay attention to the posted speed limits in town and on the local highways.

This is a reminder for all drivers and passengers to follow the rules of the roadways and to drive safely.

NEWSLETTER SUBMISSIONS

If you have a 'not-for-profit' event you would like published in our bi-monthly newsletter, please submit it to development@millet.ca prior to the newsletter deadline dates listed on our website at www.millet.ca.
