INTRODUCTION TO THE TOWN OF MILLET ALBERTA CANADA

The Town of Millet is nestled on Highway 2A, 45kms south of Edmonton and 20kms south of the Edmonton International Airport, right alongside the original Pacific Railway built in 1891. Traveling south from Edmonton on Calgary Trail or from the Airport on the QE2 Hwy, take the Wetaskiwin exit onto the 2A from the Leduc Overpass and join us for a visit.

Millet began with a single store owned by Ben Slaughter. The Town was named for August Millet, Ben Slaughter's fur supplier and canoe man for Father Lacombe and reached Village status on July 17, 1903. Many disasters including major fires in 1902, 1927, 1996, and 1997, although devastating, only strengthened the community's sense of comradeship, dedication, and pride in rebuilding.

On September 1, 1983, Millet was declared a Town. A general election was held with the change to Town status; 6 Councilors and a Mayor were elected. Housing and acreage developments have since been on a steady increase.

A picturesque community, Millet centers on a 65-acre park system with a combination of natural and manicured area. Parks in this community are second to none in Alberta and the downtown is a matter of pride for the community. This pride is evident throughout the community, private homes, businesses, streets, churches, schools, library, and public facilities all contribute to providing a clean & safe environment.

Millet continues to be active in educational and recreational programs throughout the year that are supported by numerous groups and organizations. Leisure, sport, and cultural activities are available for all age groups, from preschool to seniors.

Millet is a proud participant in the National Communities in Bloom Program since 1996 receiving recognition across Canada for its beauty, charm, and friendly rural atmosphere. Through the dedication of volunteerism and community endeavors, Millet blooms, even in the winter as participants in the Winter Lights Program from 2004 - current.

HISTORY OF MILLET

Written by Jean Scott

Millet officially became a village on June 17, 1903 under the authority of Section 3 of the Village Ordinance of the North West Territories. W.F. Blades was appointed as Returning Officer to elect an overseer. An election was held on June 29, 1903 and James Blades became Millet's first overseer.

Millet received its name when Sir William Van Horne, president of the Canadian Pacific Railway, asked his good friend, Father Lacombe, a Catholic missionary, to name all the stations from Lacombe north on the new railway line which had come through the area in 1891. Father Lacombe gave what was to become Millet its name. He called it Millet after his long time traveling companion and canoe man, August Millet. August Millet was also a fur buyer and trader who did business with Millet's first resident, Ben Slaughter, a fur buyer as well.

In 1896 a post office was opened in Ben Slaughter's store at Millet and it has operated continuously since then at several other locations in Millet.

In the 50 or so years to follow, Millet's population grew to approximately 400 people and for many years was able to provide an adequate business center for its residents and for those of the surrounding area. However, with the increase in the number of automobiles and upgraded highways, residents gradually traveled to larger centers to shop and Millet remained at a standstill for a number of years.

In the 1970s the face of Millet changed with the advent of the development of the Moonen Heights residential subdivision across from the Agriplex, the ball diamonds, and the soccer fields. Several acreage subdivisions just east of Millet came into being at the time as well. Millet obtained Town status in 1983 and doubled in size to 2000 people by 1993.

Today Millet's population has risen to approximately 1,851 people.

Plans for further development of a new subdivision are currently underway to accommodate the projected increase in the growth of the "Prettiest Little Town in Canada", a title received in 2001 from Communities in Bloom judges. Millet residents enjoy the benefits of the lifestyle found in a small country town. As well they are able to access within 20-40 minutes any necessary services found only in a large city.

Message from the Mayor

On behalf of the Town Council, administration, and residents, I would like to extend our warmest welcome and invite you to spend some time exploring our beautiful community.

I am sure you will see firsthand why we have the nickname "the prettiest little town in Alberta".

We may be small in size, but Millet has much to offer... A great location and lifestyle so if you are a visitor seeking a location for your business, or potentially a future resident, Millet is certain to provide countless opportunities for you to enjoy your time here.

Mayor Doug Peel

Message from the CAO

Welcome to the Town of Millet!

A small friendly community that is proud of our beautification and small-town amenities. This pride is evident throughout the community, and we are known as the "Prettiest Little Town in Alberta".

Millet is a proud participant in the National Communities in Bloom Program since 1996 receiving recognition across Canada for its beauty, charm, and friendly rural atmosphere. Through the dedication of volunteerism and community endeavors, Millet blooms!

Millet continues to be active in programming and recreation through the entire year. We have 65 acres of trails, ball diamonds, soccer fields, a splash park, several playgrounds, an NHL size arena, curling club, fish & game, museum, as well as many groups that run a variety of programming from pre-school to seniors.

This small community thrives on community spirit and is always welcoming to new residents and ideas.

Thank you for choosing Millet as your new home!

Lisa Schoening, CLGM
Chief Administrative Officer

MEET YOUR TOWN COUNCIL 2022-2026

Mayor Doug Peel

My wife Jackie and I moved to Millet in 1995 with our two young children. We were kept very busy volunteering for many of their activities including Millet Scouts, Millet Guides, Millet & Griffiths Scott School Parent Council, Millet Soccer and Millet in Bloom.

I have served on Council for the past eight years and have represented the Town of Millet on the Millet Library Board, the Yellowhead Regional Library Board, JEDI Board and various other boards and committees.

I have a passion for music and the arts and culture. My previous employment included 22 years at the Northern Alberta Jubilee Auditorium where I held several positions and in 1995 was promoted to House Manager. The band I play in has performed three times at the Firefly Music Festival held in Millet.

I currently work full time for Air Canada at the Edmonton International Airport and look forward to dedicating the next four years as your Mayor for the Town of Millet focusing on fiscal responsibility, industrial and residential growth, and a safe and healthy community.

Councillor Michael Bennett

Along with our two children, my wife Sarah (Sadie) and I moved from Newfoundland to Alberta in 1986. I spent my career in the federal government working for Canada Post in various positions. We moved from Calgary to the beautiful town of Millet in 2016 to enjoy small time living. I represent the Town of Millet on the Municipal Planning Commission, Millet Library Board, and the Millet Seniors. I am an active member of the Millet and District Lion's Club. I enjoy spending time with our grandchildren, and I have managed to turn our outdoor Christmas display into quite the hobby. I look forward to the privilege of serving the residents of Millet.

Councillor Gerdie Hogstead

Growing up in Edmonton, I often spent time at my grandparent's farm in Millet, which led my husband and I to move to Millet. My husband and I have lived in Millet for over 43 years now and raised 3 children here. I began my municipal career working in the Finance department at the Town of Millet for 27 years before my retirement. I served for the Communities in Bloom and was involved in a several groups and organizations, such as: Millet Minor Hockey, Millet Minor Ball, PIPS and currently the Seniors Association. When I'm not spending time with my family and chasing my grandchildren around, you can find me walking down the Millet Pipestone Path or swinging golf clubs at the local golf courses. I am grateful for the opportunity to represent the residents and business owners of Millet and to serve this town.

Councillor Mathew Starky

Millet has now been home for our small family going on 3 years. Millet has been a perfect choice for my wife and I to raise our two boys. I currently am involved in Millet Minor Hockey and Millet Baseball. I am employed in the Oil and Gas Industry as a Safety Coordinator and Electrician. I look forward to the privilege of serving this beautiful community over the next 4 years.

Councillor Charlene Van de Kraats

I was raised on a farm just west of Millet. Although university and my first teaching job took me away, I moved back to Millet as soon as I could and have been happily living in our beautiful community since 2009. I have been actively involved with the Millet Library for the last decade. As an educator, I have a heart for our children and youth. As our town continues to move forward and grow, it is an honor to represent and serve our community. I am proud to call Millet my home!

Councillor Rebecca Frost

I have lived in Millet for 3 years now along with my spouse and our two dogs. I have been a provincial government employee for 17 years split between Alberta Justice and Alberta Transportation. I grew up in a small town and after having lived in Edmonton for a number of years am very happy to call Millet home and look forward to serving the community for the next 4 years.

Councillor Susie Petrisor

I have been in Millet since 2016, after growing up in Saskatchewan and spending 10 years in the Red Deer/Lacombe area. I have spent 20 years in Hospitality & Tourism Management, specializing in cost reduction, team building, market trends, and digital marketing. Since opening my business in Millet in 2020. I have found a strong support system within the business community and hope to be a voice for residents and businesses alike. I believe we have a great growing community. With unity our community will continue to bloom. I am proud to be your bi-election Councillor.

Regular scheduled Council meetings are held on the 2nd and 4th Wednesday of every month (times and location will be posted) All regular Council meetings are open to the public, except In-Camera sessions. Council Agendas are prepared the Friday prior to a Council Meeting. Those wishing to place items on the agenda must have the information into the administration office **PRIOR** to 10am on the Friday before the scheduled meeting. Information may be dropped off or emailed to admin@millet.ca

Attractions

PARKS & GARDENS

Millet is centered on a 65-acre park system with a combination of natural and manicured areas, Pipestone Creek and Eyot Creek with multi-use lighted and paved pathways (utilized year-round), trails, and include facilities such as the Agriplex (a multi-use facility), Ball diamonds, Soccer fields and splash pad.

Canadian Pacific Railway

Highway 2A

Canadian Pacific Rail chose the original CPR station in Millet to construct a sign with the story of the railway between Edmonton and Calgary.

Centennial of Confederation Park (1967)

52 Avenue

Millet Centennial Community Park erected by the Village of Millet and community organizations in permanent commemoration of the centennial of confederation in Canada in 1967.

Distancing Diamond Project

*In 2019 the Millet Healthy Community Initiative, made up of interested community members, was the successful applicant for funding from Alberta Health Services, with a goal of creating environments that support making the healthy choice the easy choice in Millet. The organization completed its first initiative in 2020 at **William Leonard Gray Park**; the second is **Centennial of Confederation Park** and the third at **Phillips Park***

Town of Millet 4528 51 St., P.O. Box 270, Millet, AB, T0C1Z0

Phone: (780)387-4554, Fax: (780)387-4459, Website: www.millet.ca, E-mail: admin@millet.ca

Open: Monday to Friday: 8:30am – 4:00pm (Closed Weekends & Holidays)

Irish Legacy Garden (2002)

5148-50 Avenue

The Irish Legacy Garden was built by volunteers to commemorate our international partnership with Waringstown, Northern Ireland in the Communities in Bloom International Challenge in 2002 & 2003

Millet Burns Creamery Rock Garden (1999) Highway 2A

The original rock garden was built in 1937 by creamery staff to beautify the grounds that included perennials donated by residents. The re-created garden built in 1999 is made up of donated perennials and is maintained by local volunteers

Millet Memorial Rose Garden (1998)

Highway 2A, 5015 - 50 Street

Roses are purchased in memory of a person. The name (in memory) is displayed, and the purchased rose bush is added to the garden which is maintained by a local volunteer

School Bell Kiosk (2000)

Highway 2A

The kiosk is a replica of the old schoolhouse, with an open-sided gazebo-style structure complete with a cupola on its roof to showcase the first school bell of the old Millet School with a mural inside that fabricates an authentic 1920's classroom

Splash Pad (2003)

4904-52 Street

Open May to September - Water play on an 82' x 48' splash pad with water structures and child activators.

William Leonard Gray Park

Diamond Drive

Named after the original landowner, there is playground equipment on 6.0 acres.

Phillips Park Pipestone Creek Park Pathways

Trans Canada Trail
