ENFORCEMENT SERVICES

Hello Millet, Below are some friendly reminders from Bylaw Officer Stav.

Animal owners please ensure you're being respectful to neighbors and working with your barking dogs. Those who own cats please note that cat trap rentals are permitted in Millet. Ensure your feline has a collar so we know it has a home. Animal licensing is being enforced so please make sure your dog is licensed.

Those with children riding bikes around, please ensure they have a properly fitted bicycle helmet, under 18 it is the law! Head injuries are the leading cause of casualties. Kids are more likely to wear a helmet they picked out, be sure the helmet is not too snug or not too big.

Reminder to those who have off highway vehicles that they are not permitted in town limits, nearest exit only.

Bylaw will also be doing some positive treats/tickets this summer for things like helping out others in the community, wearing a helmet, walking your bicycle across the street when crossing the road, and many more positive acts. - If you have a business and would like to donate treats for the positive rewards please contact enforcement services.

As a bylaw officer my job is to ensure that our municipal bylaws are being educated, and enforced. This includes traffic related bylaws, community standards, animal control, land use bylaws and many more. The Town of Millet's bylaws can always be found on the Town of Millet website. www.millet.ca

You may see me in your neighborhood and be curious as to why, part of the job is ensuring that the neighborhoods are patrolled. I also receive complaints and concerns that I investigate and ensure I am being vigilant on. I am always open to any questions or concerns one may have. I can be reached by email at Enforcement@millet.ca

**Millet Public
Library**
Connect Learn Discover

The Millet Public Library is dedicated to their community and strives to change peoples lives through literacy and offering meaningful programs to provide knowledge and skills to encourage personal growth. It has over 14,000 visitors annually with over 9,000 participants attending their free programming. For Millet residents, library cards are free with a piece of ID, which not only provides books but access to numerous eresources. They offer a year-round drop in Storytime for preschool aged children with parents on Wednesday's at 11:00-12:00. Throughout the summer there will be drop-in crafts or activities, a take home summer reading scavenger hunt with prizes, and craft kits. Our free weekly Summer Wellness Program for school aged children runs from July 9-August 9, registration is required. For more information call 780-387-5222.

Many of the services that Millet Library provide would not be possible without the support of The Friends of the Millet Library Society. Their goal is to create awareness of the Millet Library, the services they provide, and to raise funds for projects that provide value to the community through the Millet Library. They hold numerous fundraisers throughout the year, including the community pancake supper, selling greenhouse gift cards, a silent auction and a 50/50 held in late fall. Some of items that they were able to purchase for the library include furnishings, books, educational kits, a new public computer and licensing for our public computers. If you are interested in becoming a member of the Friends of the Millet Library Society, we would love to hear from you, our next meeting is on Friday October 18th. Please contact us for more information at 780-387-5222 or millet@yrl.ab.ca. We look forward to continuing to build connections with our community so that meaningful relationships can be developed as we support each other.
